Parents/Guardians-

I have the opportunity to photograph the Elementary Choral Festival on Saturday 11/18 at Central HS. Along with the Traditional 8x10 Group photo (below), I am offering individual portraits as well, including the SportsMate (below, left) consisting of an individual portrait and group photo along with the Elementary Choral Festival logo and year in an 8x10 matte. Also, please note the many personalized items available on my order form (attached). If interested, please print and fill out the order form, attach payment, and have your student bring on 11/18. Many online app payments available as well. All orders will be mailed directly to your home

I have been photographing the Junior Honors Choir and Senior Honors Choir for years and I look forward to photographing this Choral Group as well.

Thanks
