

After careful consideration by the board of directors concerning the impact of the cancelled 2019-20 season on our organization and families, the York County Honors Choirs refund policies for the 2019-20 season are as follows:

No registration or tuition refund: The Junior and Senior Honors Choir season is divided into an education segment and performance segment. The education segment had been completed and original tuition fees were used to assist with coverage of the costs, including instructors, music and rehearsal aids. In the performance segment, costs are funded by free will offerings and ticket sales in a “normal” season. On a side note, the organization could not function without the additional patron donations that help to fund our entire budget for the season.

If you have special circumstances with this policy, please contact Bill Lytle at honorschoiryc@hotmail.com.

Elementary Choral Festival Refund: YCHC incurred several costs related to the festival including sheet music and rehearsal CDs, but we offered a partial refund since t-shirts were not purchased for the students. A \$10 refund is being sent to all participants who requested the refund. We so regret that the students did not get to participate in this educational and fun-filled day.

NYC Carnegie Hall Trip Refund: Thank you for your patience.

Refund checks were mailed the week of 6/16/2020 to the address provided. If we did not hear from you, the check will be mailed to the home address that was submitted on the registration form last May.

If you have special circumstances with the refund, please contact Bill Lytle at honorschoiryc@hotmail.com.

Thank you.
