

As we continue on this unusual journey this season, the Junior Honors Choir and executive staff have revisited our 2020-2021 program. We are still optimistic that we will have a Junior Honors Choir program in the spring of 2021, but details concerning the virus still need to come forward before permanent decisions can be made. We ask for patience as we continue to monitor school district and government decisions.

Elementary Choral Festival – March 27, 2021

After consideration of school district uncertainties, the Honors Choirs staff has made the difficult decision to cancel the 2021 York County Elementary Choral Festival at Dover Area High School. A tentative date for the 2022 Elementary Choral Festival will be decided around March 2021.

Junior Honors Choir 2020-2021

The Junior Honors Choir and Executive staff have agreed that Junior Honors Choir cannot start until a determined break after the holidays. Virtual opportunities might be possible in January with potential earliest start time of February 7, 2021, for in-person rehearsals. Restart procedures would be posted on the Honors Choirs website at that time. Planning for this season will be different, but we look to offer music education, team building, leadership and character development with the hope of performing for our community.

For those who already registered and paid the \$40 registration fee, we continue to ask for your patience until January 2021, when we will have a clearer determination of our season. If you have special circumstances, or a refund is requested, please contact Executive Director Bill Lytle at honorschoiryc@hotmail.com.

If you were referred by your teacher or you are a previous member of the choir, and you did not register for Junior Honors Choir yet, registration information is available on the [Student Center](#) page of the York County Honors Choirs website. As you register your information, the registration fee will not be expected until sometime in January or February when determinations will be made about the season.

Updates will be posted on the Homepage and Student Center page of our website in November and December. Registered singers and York County music teachers will be informed of changes.

Thank you.
